Registered in Ireland and in the UK

where

Growing reach across 78 Countries and 4.6 billion people

International Network of Ecosystems

(120+ ecosystem gatherings a year)

what

Connecting & joining the dots

Communication / networking

Member Support

Global events workshops

Funding/Tender Services

Where is the money for Silver Economy

Horizon 2020

Urban Innovation Actions – Demographic Change

Eureka

AAL

Marie Curie

National and Regional Funds

Where do you get your info?

How do you choose?

Up the info!

- **Get our funding newsletter**
- **Its free if you are a member of Cluster Saúde de Galicia!**
- **They are a member of ECHAlliance**
- **We issue this every month**
- **Targeted for our members**

How do people know who you are?

And what you want to do?

Connecting up the dots

Sharing information!

People might find out our plans

Secrets will be let out!

People might find out our plans

**= People will know what you
want to collaborate on**

The big funds

- **There are still Horizon 2020 calls for 2020**
- **There are lots and lots of Health topics that target Silver Economy**
- **There are plenty of non-health topics that can be "shaped to fit" ie Andy's Secret funds**
- **All programmes are published and shared**
- **Have you seen them/Can you get them? Hands up!**

The sneaky funds!

Science with and for Society – more research

DT Governance and DT Transformation – Public sector

ICT and LEIT – Solutions for Silver Economy

Security – Data especially patient data

Future Emerging Tech – FET – Closer to market

SME + InfracInnov + COSME

Interreg and Erasmus+

What you need to do

You need to get a shopping list!

Silver Economy – Shopping list

What funds are interesting for us

Where is the info

What are the facts we know

**Where can we get the facts we
don't know**

Who do we trust

Make a list – in excel and share it

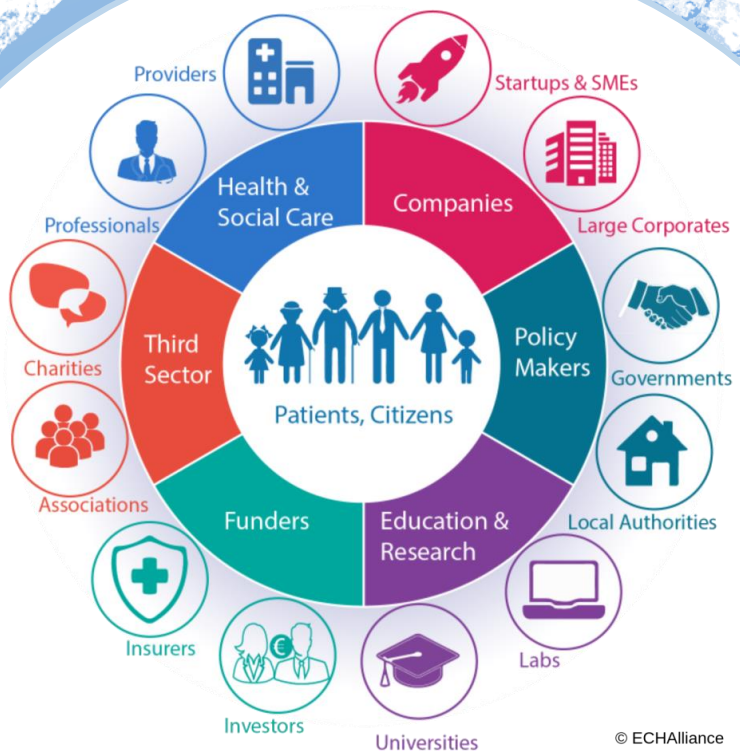

Ecosystems and collaboration

Lots of funding opportunities

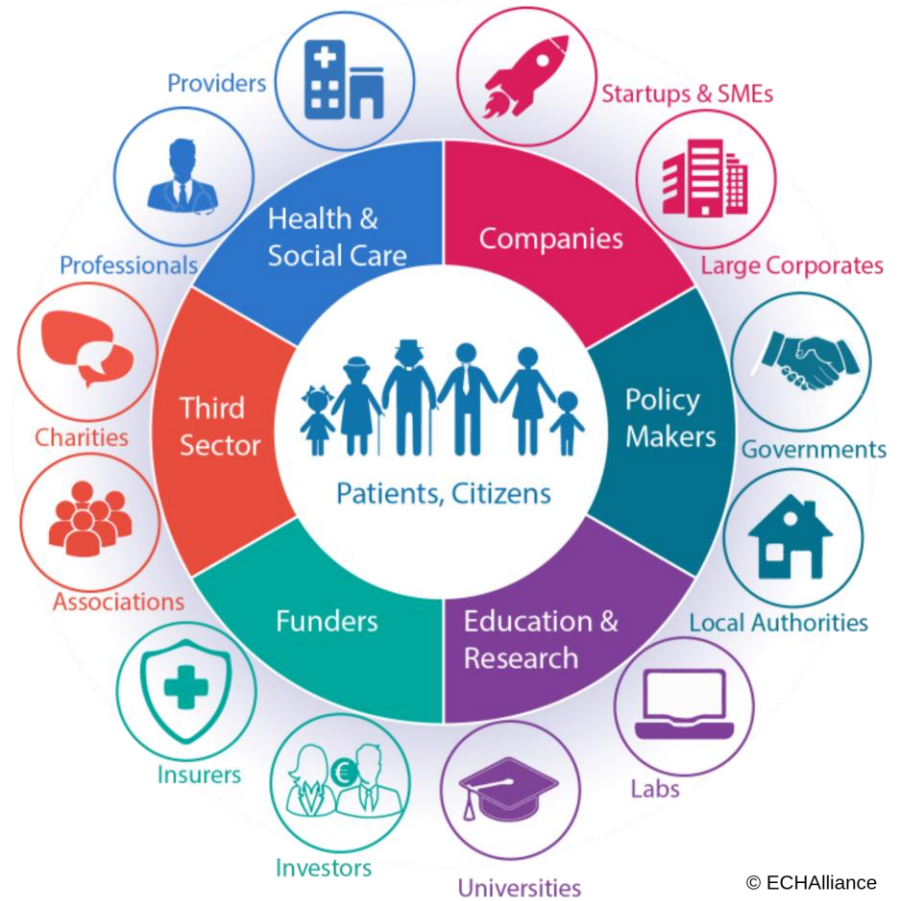

Funding partners interested in Silver Economy

Lots of interest across our International Network of Ecosystems

Need to communicate and collaborate

- **Build a list of funds you want to target for Silver Economy**
- **Do you want to lead them**
- **Do you have an idea?**
- **Are you able to offer a solution or a skill?**
- **What is your experience**

Benefits of being in an International Network of Ecosystems

Share your shopping list with your region and 34 other Digital Health Ecosystems

Target the Ecosystem Coordinators

Ask them to identify which ones interest them

We can help to facilitate this

We are the Global Connectors

What you can expect

- They will fall off their chair that you want to share and collaborate
- Why?
- They will be interested!
- They will want to share their shopping list too
- You will know who will want to collaborate and where and where not!
- You can then build collaboration in sooner = less last minute

Members of our International Network of Ecosystems

120+ quarterly gatherings per year
